DETAILED ACTION

Allowable Subject Matter

Claims 1-23 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding claims 1 and 18, the prior art of record fails to show the actuator associated with the seat part to move the seat part forward away from the backrest without altering a height of a rear portion of the seat part during the folding over of the backrest, in combination with other specifically claimed features. Regarding claim 14, the prior art of record fails to show the seat part being movable in a forward direction away from a pivot point of the backrest during the folding over of the backrest and wherein a cable run is provided between the seat part and the backrest in order to move the seat part into its rear end position during the folding back of the backrest, in combination with other specifically claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
